

Completely refurbished equipment for powerful solutions at significant savings

IBM Certified Used Equipment

IBM Global Financing offers the largest inventory of used IBM products. IBM Certified Used Equipment™ comes with a three-month quality satisfaction guarantee. All products are refurbished, carefully tested and backed by IBM. It's the answer for cost conscious companies with significant IT challenges.

Important advantages

Quality and selection make IBM Certified Used Equipment the best source for refurbished IBM products:

- *Broadest selection of used IBM equipment including systems, upgrades and features such as memory, disk drives and adapters. Offerings include S/390®, AS/400®, RS/6000®, PCs, printers, communication devices and displays.*

- *Wide range of newer model equipment.*
- *Three-month quality satisfaction guarantee provides the purchaser a replacement, at the option of IBM Global Financing, if the purchaser is not completely satisfied.*
- *All equipment qualifies for IBM maintenance agreements.*
- *Selected systems can be custom configured to individual user specifications.*
- *After-sale support, including telephone help line, to ensure your satisfaction.*

Expert refurbishment

IBM Certified Used Equipment is fully refurbished and tested at IBM manufacturing sites and qualifies for IBM maintenance when shipped from IBM Global Financing.

- *Only IBM components, manufactured by or for IBM, are used to replace original parts.*

- *All cables and manuals required for operation are included.*
- *Each unit is refurbished inside and out.*
- *Equipment is packaged and sealed at IBM manufacturing sites before shipping.*

Attractive terms

IBM Global Financing offers a full range of options with competitive, flexible terms. Leases can be structured from several months to several years. Special payment structures are available and purchase can be arranged.

For more information

- *For quotes on PC equipment, call the IBM Global Financing PC Remarketing Information Line at 800-426-5440 or e-mail inquiries to pcused@us.ibm.com.*
- *For quotes on other equipment, customers can call 866-IBM-USED (866-426-8733) or visit our Web site at ibm.com/shop/used.*
- *Check equipment availability by visiting the IBM Global Financing Web site at ibm.com/financing.*
